PTA BOARD

(Term: July 1 – June 30)

“Each of you is the PTA – it will be as powerful and strong as you make it.”

Elaine Steinkemeyer, First Vice President National PTA (1982)

The foundation of the PTA is the members. They have paid dues in support of the Purposes of the organization. They have rights as members to inclusion, participation in decision-making, and active involvement. The role of the PTA Board is to establish the framework within which everyone works. The Board is a team of volunteers who are members of the PTA. Each Board member is elected to office, or appointed to a position of a Committee Chairperson, to work together, in order to set goals for the Association and to establish methods of operation, in order to achieve these goals. Effective teamwork requires mutual respect, knowledge of the demands of the roles of others, compassion, and commitment.

To understand the structure and governance of the PTA, remember the “ABCs” of PTA:

A ASSOCIATION

The “Association” refers to all of the members of the PTA. Members should always be informed about important issues. Members elect the Nominating Committee, elect the officers, vote to adopt the budget, vote to adopt the By-laws every three years, and should vote on recommendations requiring action of the Association.

B EXECUTIVE BOARD

The Executive Board consists of the elected Officers, immediate Past-President, standing Committee Chairpersons, Council Delegates, the Principal, and teacher representatives. The Executive Board creates Committees, fills vacancies, adopts procedures, approves plans of action of Committees and Chairpersons, and reports to the members. All members of the Board have fiduciary responsibility for the well-being of the PTA and are responsible to practice care and diligence to assure that the best practices of the PTA and its members are protected and preserved.

C EXECUTIVE COMMITTEE

The Executive Committee consists of the elected Officers and immediate Past-President, if available. They help the President to achieve the goals of the Association. The Executive Committee appoints standing Committee Chairpersons with the PTA President; makes recommendations to the Executive Board; and is responsible to the members who have elected them.

Volunteer service on a PTA Board offers many rewards:

- Opportunities for improving the quality of life and education for our children.
- Opportunities for study and mental stimulation on matters of importance.
- Opportunities for friendships, involvement and leadership training.

Introduction

By-laws are designed to help the group function in an orderly manner. The By-laws of the Association include all the rules which society considers so important that such rules: (a) cannot be changed without previous notice and, (b) cannot be suspended. By-laws can be amended only with prior notice and by two-thirds vote of the membership. The PTA By-laws Chairperson approves By-laws. By-laws must be thoroughly reviewed and updated (*then filed with, and approved by the NYS PTA*), every three years for an Association to remain in good standing. Every Board member should have a copy of the By-laws and be familiar with them.

Procedures (*Standing Rules*) are the rules an organization uses to administer its affairs under the provisions of its By-laws. It is here that the PTA can give detailed instructions for carrying out each provision of the By-laws. Procedures are presented to the Executive Board for approval by a majority vote of members present and voting with prior notice, and take effect at that time; otherwise, a 2/3 Board vote is needed. Additional Procedures may be adopted by a Board majority vote and may be suspended for the duration of any session by a majority vote. (*The quorum rule of Article X, Section 7 [Executive Board] of the NYS PTA By-laws is applicable.*)

Committee Procedure Books are essential. They are a cumulative record and resource file of the Association's experience, and serves as a guideline for current and future Officers and Chairpersons. Together, the By-laws and procedures provide the authority and administration of the affairs of the East Lake PTA. Procedures should be updated regularly, and Procedure Books are to contain copies of Plans of Work for the respective Committee, along with any pertinent information. (*Sources: National PTA and NYS PTA Resource Guides [2003-04].*)

Basic PTA Meeting Procedural / Parliamentary Rules

All discussion is to be directed to the Chair (*PTA President*). Questions, statements, comments, etc., are addressed to the Chair. Discussions on any one question should be limited to ten minutes, as directed by parliamentary procedures. Motions can be put to the Association by anyone, but must be seconded. (*To show that more than one person is interested in the issue.*)

Motions that come directly out of Committees need not be seconded -- all others require a second. Only paid standing members of the PTA Executive Board are permitted to vote on motions put before the Board. If the Chair wishes to recognize a non-Board member to speak regarding a discussion, he/she may do so. Usually, a "show of hands" is used to carry on voting procedures. This means that you will be asked to raise your hand to signify if you wish to vote yes, no, or to abstain. A majority of those present and voting decides an issue. (*Quorum rules apply to any vote procedure. If a quorum is not achieved, any issue may be discussed and*

everychild.one voice.®

educational programs may take place, but a vote cannot be taken [Source: NYS PTA Resource Guide].)

By-laws may be revised or amended at any regular meeting of the Association by a 2/3 vote of members present and voting, provided that at least 30 days notice has been given. *(The quorum rule of Article XI, Section 4 [Association] of the NYS PTA By-laws is applicable.)*

If an Officer on the Board has a personal interest that presents a conflict of interest with a matter before the PTA, that Officer must abstain from a vote on, or participation in, that matter. In the case of a potential conflict of interest, the Officer must also abstain from a vote on, or participation in, that matter, to avoid even the appearance of impropriety.

Regarding parliamentary authority, the rules contained in the current edition of "Robert's Rules of Order Newly Revised" shall govern, but only to the extent that it is not inconsistent with Department of Education laws, policies, rules, and regulations.

A written contract is very important when it comes to the business dealings of the Association. Written agreements assist to prevent present or future misunderstandings.

A PTA should not commit future Boards to long-term projects or to large financial obligations. Further, the PTA President is responsible for contracts, and is the only person who can sign a contract. Additionally, the President should clearly indicate that it is the PTA which is entering into the contract, and NOT the individual.

BEFORE entering into a contract on behalf of East Lake PTA:

- The Association must vote to approve the project and the vote must be recorded in the meeting minutes.
- The length of the contract is to be limited to the term of the participating Officers and shall not encumber future Boards.
- The person negotiating the contract must have the authority to do so, and must keep the PTA President continually informed.
- The terms of the contract, including but not limited to its restrictions or conditions, must be presented to the Association for informational purposes, or discussion, if necessary.
- The Association must have the financial, legal, administrative, or organizational ability to comply with the terms of the contract.

FACTORS to consider before signing a contract:

- Any contract must be approved by the Executive Committee, before the PTA President can sign it.
- If a delivery date is important, ensure that such date is part of the contract, and terms should include *“In the event that the contractor is unable to, or fails to, effect timely and satisfactory performance as required, this contract may be canceled by PTA.”*
- Provide a delivery date in advance so that last-minute adjustments can be made, if necessary. Be sure that adequate storage space is available, if necessary. Check to ascertain if additional orders can be made at a later date, if appropriate.
- Service providers should be asked to provide proof of insurance and include their Social Security number or Employee Identification Number (*EIN*).

everychild.onevoice.®

- Under no circumstances should any PTA sign a “*Hold Harmless Agreement*” for a vendor or provider, or agree in any way that the PTA will be held responsible for liability.

GUIDELINES FOR COMMITTEES

<p>The following are basic procedural guidelines for particular Committees. They are not meant to limit or restrict any Committees’ work, but are listed in order to provide overall structure and direction. Each Committee Chairperson must present a Plan of Work to the Executive Board, for approval, before the Committee’s work begins, and before funds to the Committee can be released.</p>
